

Division 2 Member Benefit	Notes
Visibility among peers.	Those who provide products and services to advanced membrane water and wastewater treatment facilities are an elite group - Network, share information and enhance your company's knowledge and experience by joining the exclusive and focused AMTA community.
Discounted membership for staff	Division 2 member organization staff members join at a reduced rate. Your corporate membership comes bundled with five (5) individual staff memberships with additional memberships available at a nominal cost.
Brand visibility	Only AMTA Division 1 and 2 members have their company affiliation visible during a member search. All Div 1 and Div 2 members have their logo on AMTA's website and a direct link to your "About Us" page. (Starting 2024)
Service and Product Provider Directory	Only AMTA Division 2 members have the visibility that comes with a searchable profile which identifies the products or services which you provide. Your primary contact can update and revise those services allowing other members to find you quickly (Updated 2024QII)
Webinars and online training	<p>AMTA has a library of over 50 on-demand training and learning tools. Learn at your pace on your own timeline.</p> <p>Earn CEUs and PDHs on select live webinars and events while you learn from industry leaders and keep up with the latest technology and best practices</p>
Stay Ahead of Regulations	Membrane treatment is tied to evolving regulatory pressure: PFAS, potable reuse (IPR/DPR), pathogen LRVs, brine management, membrane integrity testing, and waste-to-energy/low-brine initiatives. AMTA gives members early access to regulatory movements, upcoming rule frameworks, and technical interpretations.
Discounted Registrations	AMTA member discounts for workshops, Membrane Technology Conference registration and more!
Fact Sheets	Division 2 Members have access to the full library of AMTA Fact Sheets
Digital Library	AMTA's digital library, fact sheets, and MTC proceedings are the membrane knowledge base in North America. For agencies without in-house membrane SMEs, the library becomes a low-cost intelligence extension of your team.

American Membrane Technology Association

Division 2 Member Benefit	Notes
